Middle East North Africa Committee for
Treatment and Research in Multiple Sclerosis

جمعية الشرق الاوسط وشمال افريقيا للملاج والبحوث في التصلب المتعدد
Middle East North Africa Committee for Treatment and Research in Multiple Sclerosis

Invitation Letter

Dear Colleagues,

It gives us great pleasure to invite you to participate in the Second MENACTRIMS Workshop that will take place in Cairo on September 4th.

The workshop aims at providing a forum of excellence in MS education and research at an international level. Building on the collective efforts of the scientific committee, the meeting will deliver state-of-the-art presentations on MS by renowned international and regional keynote speakers.

MS therapy has entered a new horizon with the latest advances in MS pathogenesis that lead to new innovative approaches to MS therapy.

The content of the meeting includes up to date information on the latest treatments, research, models of care, epidemiology, diagnosis and much more. The workshop is also a great opportunity to meet and network with colleagues interested in the field of MS clinical care. More than 300 Egyptian healthcare professionals are expected to attend the meeting.

We look forward to welcoming colleagues from all over Egypt and are enthusiastic and hope to see you at what is to be a very exciting edition of the MENACTRIMS workshops.

Yours Sincerely,

Bassem Yamout, MD, FAAN

President, MENACTRIMS

Saeed Bohlega MD, FAAN

Chair, Scientific Committee

Saher Hashem, MD

Head of the Egyptian MS Society

Egypt representative in MENACTRIMS
